(FOR IMMEDIATE RELEASE)

10 November 2016

WINDHOEK

Thanks to all media houses for the active reporting on the InvestinNam2016

Windhoek, Namibia,

On behalf of the Namibian Government and specifically the Office of the President we wish to express our gratitude to all Namibian Media-houses on the manner in which the just ended Investment Conference was covered.

In the true Harambee spirit the country rallied behind this national initiative and we remain indebted to all role players, especially the members of the Fourth Estate for the positive contributions made by all. Namibia won once more.
